Grocery List for Fat Loss

The exact foods Kendra restocks every week. Protein-forward, real food, zero shake powder marketing. Print it. Bring it. Shop the perimeter first.

The rule: If 80% of what's in your cart is on this list, you'll lose fat without trying to lose fat. The list is the system.

Protein (pick 4–5)

- Chicken breast / thighs
- Lean ground turkey (93/7)
- Lean ground beef (90/10)
- Wild salmon (frozen is fine)
- Shrimp (frozen)
- Eggs (1–2 dozen)
- Greek yogurt (2%, plain)
- Cottage cheese (low-fat)
- Canned tuna (in water)
- Firm tofu
- Edamame (frozen)

Carbs (pick 3–4)

- Sweet potato
- Yukon gold potato
- Jasmine or basmati rice
- Quinoa
- Sprouted-grain bread (Ezekiel)
- Steel-cut oats
- Berries (frozen + fresh)
- Bananas
- Apples
- Black beans / lentils (canned)

Vegetables (pick 5–6)

- Spinach (big bag)
- Mixed greens
- Broccoli
- Bell peppers
- Cucumbers
- Cherry tomatoes

Fats & flavor

- Extra virgin olive oil
- Avocados (2–3)
- Raw almonds
- Natural almond butter
- Feta or goat cheese (small block)
- Lemons

- Zucchini
- Asparagus
- Brussels sprouts
- Onions + garlic
- Carrots

- Fresh herbs (parsley, cilantro)
- Sea salt, black pepper
- Hot sauce, mustard, salsa
- Balsamic vinegar

What's NOT on the list (and why)

- **Granola bars + protein bars.** Candy in a wrapper for 95% of brands. Read labels.
- **Diet soda + zero-sugar drinks.** Train your palate for plain water + sparkling water.
- **Crackers, chips, cereal.** Engineered to overeat. Not on the list.
- **"Healthy" cookies, muffins, bakery items.** Calorie-dense, low-protein, low-satisfaction.
